

PRINCE EDWARD ISLAND FIRE MARSHAL`S OFFICE

FIRE SAFETY ADVISORY

Fire Prevention Recommendations for Smoking Material

- If you smoke, smoke outside using fire-safe cigarettes.
- Never leave e-cigarettes (vape pens, etc.) charging unattended.
- Never expose e-cigarettes (vape pens, etc.) to direct heat.
- Ensure smoking materials are fully extinguished before discarding.
- Discard of smoking materials in a proper receptacle.
- When possible, douse smoking material and ashes with water before discarding.
- NEVER discard smoking materials or ashes in vegetation such as mulch, grass, peat moss, or plants.
- NEVER discard smoking material or ashes out of a vehicle window.

If you have any questions or comments on this or any fire prevention item, please feel free to contact the Provincial Fire Marshal`s Office at 368-4869.
