Police Activity

Occurrence Summary

Persons crime was slightly higher than both last month and last year, ending the month with 34 occurrences, compared with 18 for last month and 27 for last year. Uttering threats (16), indecent or harassing communication (8) and assault (6) represented most of these.

At 55 property crime levels were comparable with both last month (48) and last June (46). These were mostly mischief and Theft Under occurrences (34 and 12 respectively).

There were no drug enforcement occurrences opened in June. This is consistent with both last month and last year (1 and 0 respectively).

Traffic occurrences accounted for most of the incidents recorded in June, with 190 occurrences. This level is consistent with last month (178) and lower than last year (270). Month-over counts for “other” traffic violations and related duties(-39), and speeding (-12) accounted for much of this change. Five impaired driving occurrences were reported, with 2 of these were cleared by charge, 1 is charge pending Blood alcohol results. There were no dangerous operation (motor vehicle) incidents. There were 16 collisions reported, consistent with both last month and last year (11 and 17). One of these involved a fatality.

Overall, 495 occurrences were recorded with 478 of these being founded or still under investigation. This is higher than last month (457/432) and lower than last year (535/522). It is also higher than the 12-month average for the District (407 occurrences/ 394 founded/SUI).
